

Lesson Plan

Lesson Plan

A lesson plan is a map that the teacher needs to prepare prior to teaching of the lesson.

The lesson plan comprises of a number of items.

Lesson Plan

Background Information

Aims

Learning Outcomes

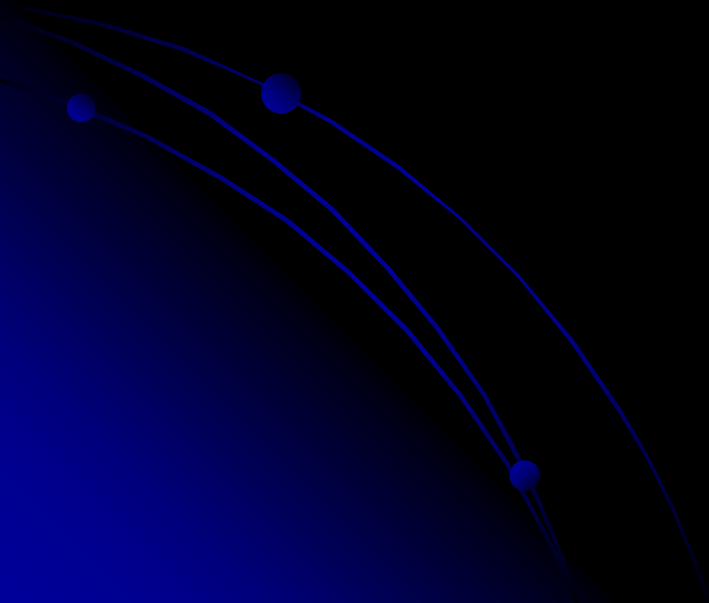

Teaching/Learning strategies

Testing of Prior knowledge

Methodology

Assessment &

Evaluation

Lesson Plan

Aims

The aims describe in broad terms what the module lesson is about. They express the broad educational purposes. The aims tend to answer the following questions:

- What is the purpose of this lesson?
- What the learning intends to achieve?

Lesson Plan

Learning Outcomes

Learning outcomes are the product of the aims and should describe what it is that the students should achieve in terms of knowledge, understanding and skills.

- They should be written in such a way that students will be expected to demonstrate the results of their learning.
